

Semi-Permanent Makeup

Semi-permanent makeup is an advanced cosmetic technique designed to enhance facial features such as eyebrows, lips, and skin tone using premium pigments and modern tools. The results are natural-looking, smudge-proof, and long-lasting.

Our Treatments

Microblading Brows

Hair-like strokes for naturally fuller and well-defined eyebrows.

- Natural brow appearance
- Long-lasting results
- Custom brow shape

Powder Brows

Soft shaded brows that create a makeup-filled, polished look.

- Defined brow shape
- Suitable for all skin types
- Smudge-proof finish

Lip Blush

Enhances natural lip color, symmetry, and definition.

- Improves lip tone
- Youthful appearance
- Long-lasting tint

BB / CC Glow

Semi-permanent skin tone enhancement for a radiant complexion.

- Even skin tone

- Natural glow
- Reduces dullness

Treatment Procedure

- Personal consultation and facial assessment
